Dear Mr. Barnett:

AT      Thank you very much for your letter of 22 July.  
Your visitor, [ ] expresses a worry I  
personally share. I am somewhat distressed that  
my colleagues in the Intelligence Community do not  
share my worries, at least to the same degree. I  
shall continue to do what I can to move this question  
forward here in Washington. The Russian drive to  
warm water is still very much alive and the route  
through Baluchistan to Karachi is a tempting one  
in Moscow I am sure.

Regards,

Daniel O. Graham  
Lieutenant General, USA  
Deputy to the DCI for the  
Intelligence Community
